

SUPER TEK

<h1>Technical Data</h1>	Heavy Duty Industrial Degreaser					
	DESCRIPTION:	Green liquid, cherry odour, non flammable.				
	USED FOR:	Super Tek is designed for industrial, manufacturing and food processing plants. Super Tek is used to degrease and clean grimy surfaces such as floor, walls, machinery, equipment, etc.				
	ADVANTAGES:	<p>Super Tek's high percentage of active ingredients allows dilutions of 100:1 For economical purposes and performance, Super Tek should be used at the highest dilution that gives effective results.</p> <p>Super concentrated. Highly active. Degreases quickly and effectively. Very quick penetration. Effective on greases, oils, fats, dirt, grime, sludges, organics, etc. Dilutable in all concentrations with water. se in hot or cold water. Use in soft or hard water.</p>				
	DIRECTIONS:	<p>Spray, mop or wipe solution on surface to be cleaned. Let soak for 30-40 seconds Then flush or wipe clean. Heavily soiled areas require a 40:1 dilution. Light cleaning will be effective at much higher dilutions.</p> <p>Super Tek is approved by Agriculture Canada for use in registered establishments</p>
